

# RLM SHALLOW SHADE DIMENSIONS

**OVERVIEW:**

The shallow shade is designed to let the light be the hero. Its broad but thin, saucer-like appearance rests on top of the light source, helping to direct the light both downward and outward for a broad throw of light.

	Size	Height "A"	Diameter "B"	Additional Height with Jar
Shallow	12"	3.3"	12.0"	3.4"
	14"	3.7"	14.0"	3.0"
	16"	4.2"	16.0"	2.6"
	18"	4.6"	18.0"	2.1"
